Plaintiffs Answer to Defendants Motion to Dismiss

Defendants Arguments to Dismiss I have to take on face value because I'm  
not a ~~law~~ counsel and I'm not well versed in such. But I quite sure there  
are extraordinary situations such as this where that is not the case. First I  
quite sure you are aware there is a federal investigation into the prison system.  
My Civil Action was filed before this investigation, but it shows there is a real  
problem, and it is not limited to Medical care. I ask the court to not  
rule in Defendants Motion to Dismiss. And If the court find itself ready  
to rule in the Defendants favor, I will ask the court to hold off ruling, at  
least until the discrepancy is complete. Once it is complete, A lot more will  
come to light.
